## International Registry in Organ Donation and Transplantation

[www.irodat.org](http://www.irodat.org)

Preliminary numbers 2020

February 2021

Dear colleagues

On behalf of the **IRODaT** staff, we are glad to present the 2020 preliminary numbers in organ donation and transplantation.

The mission of **IRODaT** is to support the healthcare professionals, transplant specialist, researchers and general community to have access to verified and validated information.

We invite you to visit **IRODaT** website [www.irodat.org](http://www.irodat.org), where you will find information from other countries and news regarding international organ donation and transplantation.

Once again, we would like to thank all your effort in developing the **IRODaT** network around the world and encourage the donation and transplantation activity in your own countries.

**IRODaT Team**

# TRANSPLANTATION ACTIVITY

**IRODaT** presents in this section the transplantation worldwide activity of 2020. It is divided into seven figures, each represents a different organ transplant activity (kidney, liver, heart, lung and pancreas).

All graphs are represented in pmp, and the figures regarding transplant from deceased donors' numbers had included all combinations.

Remind that all this information and figures, as well as this Newsletter are available in **IRODaT** website [www.irodat.org](http://www.irodat.org)
